**INDIANA/KENTUCKY ARCHITECTS, BUILDERS OWNERS, DEVELOPERS
HONORED WITH THE GOLDEN TROWEL**

Indianapolis(March 5, 2007) The best of what can be accomplished when designers, contractors, craftworkers and owners work together will be featured at the International Masonry Institute's 2007 Golden Trowel Awards program, April 27, 2007, at the Indiana Roof Ballroom in Indianapolis.

Ten projects throughout the state of Indiana will be honored for excellence in masonry design and construction. One of those projects, the Eiteljorg Museum of American Indian and Western Art Expansion, will receive the Grand Award. [For a complete listing of all winning projects please see next page]. This year's Supplier of the Year award recipient was given to the supplier who provided the most masonry on a winning project.....Indiana Brick Corporation.

The International Masonry Institute's (IMI) Golden Trowel Awards represent the essence of Team IMI – union craftworkers, union contractors and consultants working to bridge the gap between all parties involved in creating high level masonry projects. IMI is a joint labor/management cooperative program of BAC and union contractors. "The Golden Trowel Award symbolizes the heights we can reach when designers work with Team IMI to create the best in masonry construction," says IMI President Joan Calambokidis.

The awards recognize all those who contribute to a project's success: architects, owners, masonry contractors, and craftworkers. Craftworkers are represented by the International Union of Bricklayers and Allied Craftworkers (BAC) Local 4 IN/KY.

Awards are presented for design in various building markets and in all of the trowel trades including brick and block, restoration, tile, marble and terrazzo, mosaic work, and more. Projects are judged by juries of noted architects, contractors, professors and craftworkers. This year's jury included:

- ◆ Mr. Steve Crafton, BAC Local 4 IN/KY
- ◆ Mr. Harry Eggink, Architect and Professor at Ball State University
- ◆ Mr. Jonas Elmore, IMI Job Corps
- ◆ Mr. Michel Mounayar, Associate Dean, Ball State University College of Architecture
- ◆ Mr. Pat Schroder, BAC Local 4 IN/KY
- ◆ Mr. Greg Waltz, BAC Local 4 IN/KY
